EDUCATION

B.Tech CSE (4th year)

Indus University

2023-2027

Schooling : St. Xaviers Loyola Hall

10th passed (GSEB Board)

2020

12th passed (GSEB Board)

2022

SKILLS

- Android Development (Java, XML, Android Studio)
- SQLite / Local Database Management
- Intermediate DSA
- Python
- HTML, CSS, JS

LANGUAGE

English

Hindi

Gujarati

PROFILE

I am a motivated 4th year B.Tech CSE student specializing in Android Application Development using Java, XML, and Android Studio. I have hands-on experience building real-world Android app with features like secure authentication and local database management using SQLite.

INTERNSHIPS

- **1st Internship** - Web Application Development by Acagmegrade, Mood Indigo IIT Bombay
- **2nd Internship** - Tech ToolKit by Indus University
- **AI Generative Workshop** by TechFest IIT Bombay
- **Kickstart Salesforce Development Workshop** by Indus University

PROJECTS

1. Android based Application

- Built an Android app with secure login/signup and SQLite-based local database to track and persist user activity history.

2. Social Media Addiction Dashboard

- Designed an interactive Power BI dashboard visualizing social media usage patterns and addiction trends across multiple platforms.

3. Python Machine Learning Model

- Customer Churn Prediction: Developed a machine learning model to predict whether a customer is likely to churn based on historical customer data. Implemented data preprocessing, feature engineering, model training, and evaluation to identify at-risk customers

EXTRA-CURRICULAR ACTIVITIES

- International Level Artistic Roller Skating Champion.
- Represented India at the International Level and won Gold Medal twice at the Asian Roller Skating Championship and won numerous medals at State and National Levels.
